## Ux conferences 2025

Join us at CodeNode London for a three-day conference covering all aspects of user experience from discovery and design through to delivery. Tickets We also have a limited number of scholarship places—if you’re from an under-estimated group, you can apply for a scholarship ticket. Tuesday will focus on building the right thing. There’ll be talks and workshops on user research, strategy, and more from speakers like Rachel Rosenson and Veronica Naguib. June 11th: Design Day Wednesday will focus building the thing right. You can expect talks and workshops on interface design, accessibility, and more from speakers like Valentina D’Eliffipo and Christine Vallaura. June 12th: Delivery Day Thursday will focus on continuous improvement. You’ll get talks and workshops on cross-functional collaboration, growth design, and more from speakers like Kevin Hawkins and Erin Weigel. Each day features a morning packed with inspiring talks followed by an afternoon of practical hands-on workshops. It’s the perfect blend! Not only will you hear talks from the best speakers in the business, but you’ll also spend quality time workingshop with your peers. Whether you’re a product designer, researcher, content writer, design engineer, or project manager, UX London is for you. You’ll hear from fantastic speakers! Here are just a few. Speakers in previous years include Rama Gheeraud, Maggie Appleton, Brad Frost, David Dylan Thomas, Vitaly Friedman, Candi Williams, Don Norman, Alan Cooper, Christina Wodtke, Erika Hall, Jared Spool, Peter Morville, Margot Bloomstein, Abby Covert, Peter Merholz, Karen McGrane, Kim Goodwin, Luke Wroblewski, Jeff Gothelf, Kristina Halvorsen, and more. Get tickets if you’re looking to level up your UX skill set, connect with like-minded professionals, and discover emerging trends across the UX industry, then there’s no better place to look than 2025’s UX conferences. Featuring an array of keynote speakers, presentations, and workshops, there’s a plethora of UX conferences in 2025 you won’t want to sign up for. So, to save you the search time, we’ve rounded up the top 35 UX conferences you won’t want to miss this year—from the big hitters to the hidden gems.ConferenceAXE-CON 2025Design, UX, Research, Accessibility and InclusionConveyUX 2025Advancing ResearchIUI ACM 2025Human-Computer Interaction, Alprompt-UX 2025UXinsight Festival 2025Leiden, Netherlands & virtualUX Healthcare Europe 2025Insight Out Conf 2025Beyond Boundaries Global FestivalCHI 2025Yokohama, Japan & virtualInformation Architecture Conference 2025ConfSigSan Francisco, USA & virtualDDXMunich, Germany & UK, USA/UX, Digital TransformationUXDX USAUX360 Research Europe SummitLeadership Ateliers BerlinUXLX 2025UX London 2025Design Matters’ 25Copenhagen, Denmark & virtualDesign, Digital ExperiencesGrowth UXRSan Francisco, USA & virtualHCI International 2025Human-Computer Interaction, UXPIXPioneersResearch Leadership SummitSmashingConf FreiburgUXDX 2025UX, Front-end DevelopmentUXCON 2025Future Product Days 2025UX, AI & Digital ProductsUX NordicWorld Usability CongressUX, Strategy & ManagementPush UXQuant UX Con 2025UX Healthcare Europe 2025Disco Conf by MazeTo be announced, typically FallUX, Design, Research, LeadershipDesign Leadership Summit 2025UX NowUX360 Research Summit 2025Don’t be put off—whenever you’re arriving at this list, bear in mind that almost of these events offer on-demand viewing after the live event is over.We’ve found enough UX conferences to fill your calendar for the whole year, but if you only have time for a few, these top UX conferences in 2025 have you covered. Let’s break down exactly what you can expect from these UX events. Organized by Rosenfeld Media, Advancing Research is a conference created by researchers, for researchers. Now in its fifth year, the virtual conference offers a combination of expert-led presentations and hands-on workshops. This year’s agenda covers three main themes: Reconcepting the Purpose of Research, Redefining the Research Toolkit, and Reclaiming our Value as Researchers. With 20+ sessions, the event is set to explore developing trends, help researchers upskill, advocate for themselves, and deepen the business impact of research. Date: March 11–13 Location: Virtual Price: Three-day conference pass: \$995 Single day: \$397.50 Speakers include: Janika Burge (Head of Research and Insights Strategy, Capital One), Jen Cardello (MVP, Head of Research and Design Operations, Capital One), Noah Bond (UX Research Lead, Hinge), Amber Davis (UX Research Director, Audible), Marieke McCloskey (Director of UX Research, LinkedIn), Kate Towsey (Author of Research That Scales) ConveyUX, produced by Blink UX, is back for its 13th annual event, bringing UX professionals together for three days of expert talks, workshops, and networking. With one of the best speaker line-ups of UX events in 2025, this conference offers leaders at top companies like Meta, Google, and Microsoft offer insights on UX research, design strategy, and product innovation. The event offers both in-person attendance in Seattle and a virtual experience, making it accessible to UX professionals worldwide. Workshops are included for all participants, providing hands-on learning opportunities alongside the conference sessions. Date: February 25–27 Location: Seattle & Virtual Price: In-person: \$1,595 Virtual: \$595 Speakers include: Thai Deng (Lead UX Designer, Levi Strauss & Co), Rebecca Destello (Senior UX Research Manager, Meta), Ruth Kikin-Gil (Principal UX Designer, Microsoft), Quinn Madison (UX Leader, AI Experiences, Google) Push the boundaries of UX research at UXnsight Festival 2025. This three-day event is built for UX researchers, designers, and team leads looking to sharpen their skills, exchange ideas, and connect with industry experts. The 2025 theme—Raising the Bar—challenges you to think beyond traditional research methods, refine your approach, and explore new ways to drive impact in your organization. Expect a mix of live talks, hands-on workshops, and networking sessions, all designed to keep you ahead in the fast-evolving UX space. Date: April 14–16 Location: Leiden, The Netherlands & Virtual Price: Full Festival (three-day, in-person): €995 early bird, €1,195 regular Conference Only (two-day, in-person): €750 early bird, €950 regular Virtual Experience (two-day, virtual): €175 early bird, €225 regular Speakers include: Marieke McCloskey (Director of UX Research, LinkedIn), Dalia El-Shimy (Director of UX Research, Wise), Maja Lukomska (UX Researcher, Google), Dave Hora (Founder, Dave’s Research Co.). UXCON is one of Europe’s top UX research and design conferences, known for its hands-on workshops, engaging talks, and strong community vibe. Held in Vienna, this two-day event features 55+ sessions, covering everything from accessibility and AI-powered UX design to scaling research and design systems. Alongside expert-led talks, there are interactive workshops, networking events, and side activities designed to help you connect with peers and industry leaders. For those looking for an even deeper experience, the three-day pass includes an Experience Day and a workshop of your choice, giving you the opportunity to work directly with experts and gain hands-on skills. Date: September 18–19 Location: Brotfabrik, Vienna Price: Two-Day Conference Pass: €650 early bird, €950 regular Three-Day Conference Pass (includes workshop): €850 early bird, €950 regular Speakers include: Bryce Johnson (Principal Researcher, Accessibility, Microsoft), Renee Reid (Director of UX Design Research, LinkedIn), Stéphanie Walter (UX Researcher & Designer, Maltém) Drawing in over 14,000 UX professionals in previous years, Disco Conf is a day of theory, design, and research content. Keynote speakers and industry pioneers from leading companies like Google, LinkedIn, Meta, and Dropbox, take to the virtual stage to break down challenges and changes in the UX landscape, while sharing insightful case studies and practical strategies for user-centered organizations and People Who Do Research. Disco Conf is completely free and online-by design, so you can tune in from wherever you are or catch up after the event. Last year, Disco Conf 24 welcomed researchers, designers, and product leaders from 85+ countries, delivering a curated single-day event that spotlight key industry trends, from AI’s impact on product development to the evolving role of the researcher. In 2025, Disco Conf is set to deliver another round of thought-provoking sessions, bringing together leading voices in UX research and product strategy. Register below to be the first to hear when we announce Disco Conf 2025’s date and speaker line-up. Date: To be announced, typically takes place in Fall Location: Global and online-by-design—tune in from anywhere! Price: Free Speakers include: To be announced; past guests included speakers from Google, Notion, Miro, Microsoft, Figma, and more!Part of our global research and discovery conference, Online-by-design & completely free—all you need is a curious mind and an internet connection.For UX leaders looking to stay up to date with best practices, learn from fellow UX professionals and thought leaders, or get an overview of UX trends across the industry as a whole.
