Continue

You can change the name that's linked to your email address. Important: The name linked to your email address is not your username. You can't change your username or email address. How to change your name For example, if you get married, you could change from "Lisa Brown" at sportsfan@gmail.com to "Lisa Jones" at sportsfan@gmail.com. Important: You cant change your name from the Gmail app. On your computer, open Gmail. In the top right, click Settings See all settings. Click the Accounts and Import or Accounts tab. Under "Send mail as,"click Edit info. Enter the name you want to show when you send messages. At the bottom, click Save changes. Create a newemail address If you want to change your email address, sign up for a new address. After you sign up for a new address, you can transfer emails and contacts from your old address to the new one. Someone is using my trademark If you believe someone created a Gmail address using your trademarked name, contact them to resolve the issue. Unfortunately, Google doesnt monitor or control the email addresses selected by Gmail users. Related resources Post to the help community Get answers from community members To get results from Google each time you search, you can make Google your default search engine. Set Google as your default on your browser If your browser isnt listed below, check its help resources for info about changing search settings. Google Chrome Open Google Chrome.
