You can change the name that's linked to your email address. Important: The name linked to your email address is not your username. You can't change your username or email address. How to change your name For example, if you get married, you could change from "Lisa Brown" at sportsfan@gmail.com to "Lisa Jones" at sportsfan@gmail.com. Important: You cant change your name from the Gmail app. On your computer, open Gmail. In the top right, click Settings See all settings. Click the Accounts and Import or Accounts tab. Under "Send mail as,"click Edit info. Enter the name you want to show when you send messages. At the bottom, click Save changes. Create a newemail address If you want to change your email address, sign up for a new address. After you sign up for a new address, you can transfer emails and contacts from your old address to the new one. Someone is using my trademark If you believe someone created a Gmail address using your trademarked name, contact them to resolve the issue. Unfortunately, Google doesnt monitor or control the email addresses selected by Gmail users. Related resources Post to the help community Get answers from community members The recovery address allows you to receive an e-mail to reset your password if you need it. Your recovery address should be an email address that you use regularly. To change it:Sign in to your Google Account settings pageClick Change recovery optionsClick Add an email addressClick Add a recovery email address or EditType/Modify your address and click Save If no app is open, your Home screen will appear. By default, your main Home screen shows the date, weather, and a few apps. Goto Home screen Depending on your phone, either: Swipe up from the bottom of the screen. Tap HomeorHome. On some phones, you can have more than one Home screen. Swipe right or left to move between them. Customize your Home screen Change an app At the bottom of your screen, you'll find a row of favorite apps. Remove a favorite app: From your favorites, touch and hold the app that you'd like to remove. Drag it to another part of the screen. Add a favorite app:From the bottom of your screen, swipe up. Touch and hold an app. Move the app into an empty spot with your favorites. Change other Home screen settings On your Home screen, touch and hold an empty space. TapHome settings. Search on your Home screen To type your search, tap Google. To speak your search, or to tell your phone to do something, say "OK Google." You can also tap Assistant. Learn about your Google Assistant. Tip: To use the 'Ok Google' command, you'll need to have Google Assistant enabled on your device. Turn search bar animations on or off You'll sometimes find animations in the search bar on your Home screen. The animations are temporary for special events, like holidays. To turn these animations on or off: Touch and hold the search bar. Tap MorePreferences. TurnSearchbox effectson or off.
