It premiered on OCN on July 11, 2020. It is streaming right now with multi-languages subtitles on iQIYI in South East Asia and Taiwan. Synopsis[] A hard-hitting detective who fearlessly dives into his work, Seo Do Won (Yoon Shi Yoon) is relentless when it comes to bringing criminals to justice. Willing to take on any case, no matter how hard, Do Won has made a name for himself as a man who gets the job done. But when the woman he loves becomes the latest victim of a serial killer, his world completely changes. Literally. Mysteriously able to move between parallel universes, Do Won now lives in both worlds as a man who must pay for the sins of his father in one, and as a man forced to live a precarious life because of those sins in the other. As if the duality of his life wasn't hard enough to deal with, he soon learns that his deceased love may be gone in one world, but she's very much alive in the other. Vowing to track down her killer in one universe, while simultaneously trying to protect her in the other, Do Won is quick to acknowledge this is not something he can do alone. Seeking the help of his colleagues in both universes, Do Won asks Han Seo Kyung (Kyung Soo Jin), an honest, yet reserved prosecutor with a big heart in one world, and a cold and emotionless detective in the other, to help him out. Together with Lee Jung Min (Shin So Yul), a tenacious member of the scientific investigation unit, they'll do whatever it takes to track down the killer in one world and protect his love in the other. But will their efforts in either universe really be enough?[1] Cast[] Yoon Shi Yoon as Seo Do Won Lee Min Jae as Young Seo Do Won A police officer on the path of atonement in universe "A" and a police officer who has chosen the path of corruption in universe "B."
