Wondering if you can save money on alcohol by shopping at Walmart instead of a liquor store? With over 10,800 Walmart stores across 47 states selling some form of alcohol, its a convenient option for many shoppers. However, Walmarts alcohol selection and prices vary considerably depending on your locations regulations. Beer Selection and PricesWalmart sells a wide variety of domestic, imported and craft beers. A recent check shows mainstream beer brands like Budweiser 12-packs priced around \$10 compared to \$14 at local liquor stores. Imported brands were up to \$5 cheaper per 6-pack, while pricing on craft beers was more comparable. According to Alcohol.orgs 2022 Beer Price Index, a 12-pack of domestic beer costs 13% less at Walmart on average compared to other retailers. For those looking to save, Walmart is likely the cheapest option. However specialty beer shops will offer far greater variety. Wine Selection and Prices Walmart wine prices are typically 10-20% cheaper than local wine shops on comparable bottles. A 2022 survey by Wine Industry Advisor of popular varieties found: Barefoot Pinot Grigio: \$6.98 at Walmart, \$8.49 elsewhere Kendall Jackson Chardonnay: \$12.98 vs \$16.99La Crema Pinot Noir: \$17.98 vs \$22.99 Selection leans towards high-volume, affordable wines rather than rare vintages. Some locations have expanded offerings to over 500 wines in recent years. Check inventory online before visiting. Spirits Selection and PricesOnly 12 states allow grocery stores like Walmart to sell distilled Spirits Council found Walmarts spirits to be 10-25% cheaper than liquor chains. For example: Titos Vodka 1 L: \$25 vs \$32Jack Daniels Whiskey 750 mL: \$20 vs \$28Captain Morgan Spiced Rum 1.75 L: \$24 vs \$30Most locations sell popular spirit brands, but lack higher-end options. As restrictions ease over time, Walmart is rapidly growing alcohol sales by catering to changing consumer tastes. A 2021 survey by Bank of America found that 50% of consumers prefer buying wine and beer during regular shopping trips rather than separate liquor store visits. In 2016, Walmart began adding craft beer sections to stores, boosting selections from just 6 options to over 45 beers in some locations. This has helped them capture craft beer lovers who previously only shopped at specialty retailers. Between 2018 to 2022, Bank of America estimates that Walmarts total alcohol sales grew by over 40%, far exceeding the industry average. Offering greater convenience through one-stop shopping and competitive pricing continues to help Walmart dominate the alcohol retail landscape in allowed jurisdictions. The Bottom LineWalmart is the go-to for affordable mainstream beer, wine and spirits options across much of the U.S. Shop here to conveniently save 10-25% compared to liquor stores. Just know that specialty stores will offer better variety. Always check state and county regulations as availability varies widely. As a retail and consumer expert with a picky shoppers perspective, Ive spent countless hours navigating the aisles of Walmart stores across the country. One section that always piques my interest is the liquor department, as it offers a wide selection of brands and types at competitive prices. However, before you fill your cart with your favorite spirits, there are several important things to keep in mind. In this comprehensive guide, Ill share 15 essential tips and insights to help you make informed decisions when buying liquor at Walmart.1. Liquor Availability Varies by LocationThe first thing to know is that not all Walmart stores sell liquor. Due to state and local laws, alcohol availability varies by LocationThe first thing to know is that not all Walmart stores sell liquor. Due to state and local laws, alcohol availability varies by LocationThe first thing to know is that not all Walmart stores sell liquor. one location to another. For example, in Texas, you wont find liquor at any Walmart stores carry a wide selection of spirits. Before making a special trip to Walmart for liquor, its best to call ahead or check online to confirm that your local store carries it. You can use Walmarts online store locator to find the nearest location that sells alcohol, as well as check the stores hours and get directions. 2. Be Prepared to Show IDRegardless of your age or appearance, be prepared to show a valid government-issued ID when purchasing liquor at Walmart. The company has a strict policy of verifying the age of all alcohol buyers, even if youre clearly over 21. This policy is in place to comply with state laws and prevent underage drinking. Acceptable forms of ID include a drivers license, state-issued ID card, military ID, or passport. Walmart associates are trained to carefully examine IDs for signs of tampering or falsification, and they will refuse the sale if they suspect the ID is fake or belongs to someone else. You Can Usually Buy Liquor at Self-Checkout counters. This can be a convenient option if youre in a hurry or prefer to avoid interacting with a cashier. However, there are a few exceptions to this rule. In California, for example, state law prohibits the sale of alcohol at self-checkout option for liquor purchases due to theft concerns or other reasons. If your eunsure about your local Walmarts policy on self-checkout liquor purchases, its best to ask an associate or go through a staffed checkout lane to avoid any confusion or delays.4. Online Ordering and pickup for liquor in select locations. This service allows you to browse the stores selection from the comfort of your own home, place an order, and pick it up at a designated time and location. Some stores even offer same-day pickup, so you can get your liquor in as little as a few hours. However, there are a few important things to keep in mind when using Walmarts online liquor ordering service. First, you must be 21 or older to place an order, and youll need to provide a valid ID at pickup. Second, not all locations offer liquor pickup, so youll need to check Walmarts website or app to see if the service is available near you. Finally, there may be limits on the quantity of liquor you can purchase in a single order, and pickup times may be restricted based on local laws and store hours. 5. Walmarts Liquor Return Policy is StrictIf you need to return liquor purchased at Walmart, be prepared for a more stringent process than with other items. In most cases, you can only return unopened liquor with a receipt, and you may be required to show ID at the time of return. This policy is in place to comply with state laws and prevent fraud. However, some states have laws that prohibit the return of alcohol altogether. In these cases, Walmart must abide by the law and cannot accept liquor returns under any circumstances. As a picky shopper, I always recommend checking your local stores return policy before making a purchase, especially if youre trying a new brand or type of liquor.6. Prices May Not Always Be the LowestWhile Walmart is known for its "everyday low prices," that doesnt necessarily mean it has the best deals on liquor. In fact, according to a 2018 price comparison by Cheapism, Costco and Total Wine & More often had lower prices on popular liquor brands than Walmart. To get a better sense of how Walmarts liquor prices compare to other retailers in my area, I conducted my own informal survey. I visited several Walmart stores, as well as Costco, Total Wine, and a few local liquor stores, and compared the prices of popular brands like Jack Daniels (750ml)\$24.98\$22.99\$25.99\$mirnoff, and Bacardi. Heres what I found:BrandWalmartCostcoTotal WineLocal Liquor StoreJack Daniels (750ml)\$24.98\$22.99\$25.99\$mirnoff (1.75L)\$19.98\$17.99\$18.99\$21.99Bacardi (1.75L)\$19.98\$18.99\$21.99Bacardi (1.75L)\$19.98\$18.99\$19.99\$22.99As you can see, Walmarts prices can vary by location and fluctuate over time, so its always a good idea to compare prices before making a purchase. Dont assume that Walmart always has the lowest price just because its Walmart.7. Selection Varies by StoreJust like liquor availability, the selection of brands and types can vary significantly from one Walmart store to another. Some locations may have a wide variety of liquor, including local and craft brands, while others may stick to the basics. To get a sense of the selection at your local Walmart, I recommend checking the stores website or app before making a trip. You can browse the available products, read customer reviews, and even check inventory levels to see if the item you want is in stock. If your local Walmart, I recommend or type of liquor thats not available at your local store, you may be able to order it online and have it shipped to your home or a nearby store for pickup.8. Store Hours for Liquor Sales Vary by LocationWhile Walmart stores are known for being open late (or even 24/7), that doesn't mean you can buy liquor at any time. Store hours for liquor sales are regulated by state and local laws, and they can vary widely from place to place. For example, in Indiana, liquor sales are prohibited on Sundays altogether. In Texas, liquor sales are allowed only from 10 am to 9 pm Monday through Saturday, and not at all on Sundays. And in Nevada, there are no time restrictions on liquor sales, so you can buy spirits at Walmart (or any other store) 24/7. To avoid any surprises or disappointment, I recommend checking your local Walmarts liquor sales hours before making a trip. You can usually find this information on the stores website or by calling the store directly.9. You Can Legally Buy Liquor With a minor present. as long as youre 21 or older and have a valid ID. The minor cannot purchase or carry the liquor for a minor, they have the right and responsibility to refuse the sale. This policy is in place to prevent underage drinking and comply with state laws and regulations. As a parent and a responsible adult, I always recommend being mindful of the message youre sending when buying liquor with children present. Its important to model responsible drinking 10. Associates Can Refuse Sales for Various ReasonsIn addition to suspecting that your Entrying for a minor, Walmart associate suspects your ID is fake. You cannot provide a valid ID or the associate suspects your ID is fake. Your eattempting to purchase liquor outside of the legally allowed hours. The associate suspects you may be purchasing liquor for someone else who is underage or intoxicated. In these situations, the associate has the right and responsibility to deny the sale, even if youre of legal age and have a valid ID. As a picky shopper, I appreciate Walmarts commitment to responsible alcohol sales and its efforts to prevent underage drinking and other alcohol-related problems.11. Ordering Liquor on Walmarts Website and App is EasyIf you prefer to shop online, ordering liquor on Walmarts website or app is a breeze. Simply navigate to the "Grocery" section, click "Alcohol," and browse the available selection. You can filter by type, brand, price, and more to find exactly what youre looking for. Once youve added your items to your cart, you can choose to have them up at a nearby store. Just remember that youll need to provide a valid ID and be 21 or older to complete the purchase. One thing to keep in mind when ordering liquor online from Walmart is that the selection may be more limited than what youd find in-store. This is because some states have laws that restrict online alcohol sales, and Walmart must comply with these regulations. However, the convenience of being able to order from home and have your liquor delivered or ready for pickup may outweigh this limitation for some shoppers.12. Buying Liquor at Walmart is ConvenientOne of the biggest advantages of buying liquor at Walmart near you. In fact, according to a 2019 report by USA Today, 90% of Americans live within 10 miles of a Walmart store. This means you can easily pick up liquor while doing your regular grocery shopping or running other errands. Plus, with Walmarts wide selection of mixers, snacks, and other party supplies, you can get everything you need for a celebration in one trip. As someone who values convenience, I appreciate being able to buy liquor at Walmart without having to make a separate trip to a dedicated liquor store. It saves me time and money on gas, and I can take care of all my shopping needs in one place. 13. Look for Deals and Discounts While Walmart may not always have the lowest prices on liquor, it does offer deals and discounts from time to time. Keep an eye out for rollback prices, clearance items, and seasonal promotions, especially around holidays like July 4th, Christmas, and New Years Eve. You can also sign up for Walmarts email newsletter or follow the store on social media to stay up-to-date on the latest sales and offers. Some stores may also have loyalty programs or credit cards that offer cash back or other perks on liquor purchases. As a savvy shopper, I always recommend comparing prices and looking for deals before making a purchase. You may be able to take advantage of a promotion or discount at Walmart that makes it the more affordable option. 14. Remember to Drink ResponsiblyRegardless of where you buy your liquor, its important to remember to drink responsibly. This means: Not driving under the influence of alcohol to minorsKnowing your limits and pacing yourselfStaying hydrated and eating food while drinkingHaving a designated driver or alternative transportation plan if neededWalmart promotes responsible drinking and has partnerships with organizations like Mothers Against Drunk Driving (MADD) to raise awareness about the dangers of alcohol abuse. In fact, according to a 2019 report by the National Beer Wholesalers Association, Walmart has trained over 200,000 employees on responsible alcohol sales and service. As someone who enjoys a drink from time to time, I always make sure to prioritize my health and safety, as well as the safety of those around me. I encourage all shoppers to do the same, and to seek help if they or someone they know is struggling with alcohol abuse. 15. Personal Experience: A Smooth Transaction In my personal experience, buying liquor at Walmart has always been a smooth and easy process. I appreciate the wide selection of brands and types available, and Ive found the prices to be competitive with other retailers in my area. One time, I was in a rush to buy a bottle of wine for a dinner party and didnt have time to go to a separate liquor store. I was able to quickly find what I needed at Walmart, go through self-checkout, and be on my way in a matter of minutes. The associate at the self-checkout stand was friendly and efficient in verifying my ID. Another time, I ordered a case of beer online for pickup at my local Walmart. The process was simple and convenient, and I was able to pick up my order at the designated time without any issues. The associate who brought out my order was courteous and professional, and made sure to check my ID before handing over the beer. Overall, while there are a few things to keep in mind when buying liquor at Walmart, Ive found it to be a convenient and hassle-free option. Just remember to bring your ID, check your local stores hours and regulations, and always drink responsibly. Conclusion Buying liquor at Walmart can be a great option for many shoppers, thanks to the stores wide selection, convenient locations, and competitive prices. However, its important to keep in mind that availability and regulations can vary by state and even by store. When purchasing liquor at Walmart, be prepared to show a valid ID, check your local stores hours and policies, and compare prices to ensure youre getting the best deal. You can also take advantage of online ordering and pickup options for added convenience. As a retail and consumer expert with a picky shoppers perspective, I recommend being a savvy and informed consumer when buying liquor at Walmart or any other retailer. Look for deals and discounts, read reviews and customer feedback, and dont be afraid to ask questions or voice concerns. Above all, remember to always drink responsibly and in moderation. Walmart may make it easy to buy liquor, but its up to each individual to make smart and safe choices when it comes to alcohol consumption.
