A modal verb (also called a modal auxiliary verb) is used along with a main verb to express possibility, permission, obligation, necessity, or prohibition. Modal verbs are also known as auxiliary verbs. They are used to form compound sentences. Examples: Modal verb + sentence We should listen to some music. Can you drive me to the airport? Amanda might practise her German. Be assured that you'll submit flawless writing. Upload your document to correct all your mistakes. How are modal verbs used in sentences? Modal verbs are used along with a main verb to indicate ability, necessity, possibility, and permission. In sentences containing modal verbs, the main verb typically takes the infinitive form. Modal verbs come before main verbs and never change form. Examples: How to use modal verbs might walk to work today. You may have as many cookies as you'd like. Lina must open tickets in advance if she wants to go to the theatre. The academic proofreading tool has been trained on 1000s of academic texts and by native English editors. Making it the most accurate and reliable proofreading tool for students. Upload my document Modal verbs List Below is a table that illustrates some of the various uses of modal verbs. Note that modal verbs are very commonly used in a wide variety of senses – this table doesn't cover every possible usage. Modal Verb Function Example Can Indicate ability Indicates possibility Indicates permission (informal) Make a request (informal) Javi can play the guitar. We can drive or walk. You can borrow that book. Can I have some water? Could Past form of 'can' Indicate possibility Make a polite request She could speak French. You could become a chef. Could you tell me the time? May Indicate possibility Indicates permission (formal) Make a request (formal) Dana may arrive late. You may enter. May I respond? Might Indicate possibility I might order pizza. Must Indicate obligation Indicates likelihood Cyclists must wear helmets. You must be very proud. Shall Indicate a future action (normally used only with 'I' and 'we') Ask a question (normally used only with 'I' and 'we') I shall attend. Shall we arrange a meeting? Should Make a suggestion Indicates likelihood You should watch that film. Tom should be at the office. Would Indicate a future action or event Make a polite request Pay will book a room for us next week. Will Indicate willingness Indicates agreement I will do it. He won't let me go. Verbs that end in -ing are gerunds. Gerunds are nouns formed by adding -ing to the base form of a verb. They are often used after prepositions and as subjects of sentences. Examples: We enjoyed watching the sunset. Seeing his friends made him happy. Verbs that end in -ed are past participles. Past participles are used to form perfect tenses and as adjectives. Examples: She was exhausted after running the marathon. The broken vase lay shattered on the floor. Verbs that end in -en are present participles. Present participles are used to form continuous tenses and as adjectives. Examples: She was laughing heartily. The children were playing happily. Verbs that end in -ing and -en are both present participles. However, the -ing form is used more frequently in informal contexts, while the -en form is more common in formal contexts. Verbs that end in -ing and -ed are both past participles. However, the -ed form is used more frequently in informal contexts, while the -ing form is more common in formal contexts. Verbs that end in -ing and -ed are both past participles. However, the -ed form is used more frequently in informal contexts, while the -ing form is more common in formal contexts.
