But in this case, we will compensate your loss and give you a full refund.TIPSFull Payment (Super Sale)For some rare statues, it is almost impossible to order again. Clients will commission us to find a stock of these statues (usually products from other collectors that have been displayed but are not damaged);We will inform customers of the status of the product and provide customers with quotes from the secondary market. Everything depends on the customer's choice. After the product arrives at the warehouse, we will check it for the customer and take photos for confirmation before sending it out!When you pre-order a statue, all you have to do now is wait for it to be produced and receive a shipping invoice later. After this, you will be given a tracking number and wait for the statue to come to your home Why do freight charges have to be paid later?The prices of products on the website do not include shipping costs. Shipping costs will be assessed based on the box size and weight of the product you order. When your order is placed, the product has not yet arrived at our warehouse, so we are unable to provide you with an accurate shipping cost. But don't worry, I will give you a preliminary estimate of the shipping cost, but it is just a more or less estimate; finally, we will provide you with quotes for multiple shipping methods (including air/land/sea) for you to choose from.The final paymentBalance for all products will be collected and submitted by OrzGK on behalf of the studio, and the studio will confirm the validity of the order based on whether the balance payment is made up.After receiving the notice from the studio to pay the final payment, OrzGK's assistant will immediately contact the customer through various methods such as WhatsApp or email and remind the customer at least three times within 30 days;if the customer refuses to reply to any message within 30 days, we will regard it as losing contact. OrzGK will retain the right to dispose of this pre-order and will not be able to refund the deposit that has been submitted to the studio!The freight for all products is paid by OrzGK to the logistics provider on behalf of the customer. Only after the customer selects the transportation channel and pays the freight, can we arrange the corresponding logistics provider for transportation;After the product arrives at the warehouse, the OrzGK assistant will immediately provide the shipping bill to the customer via WhatsApp or email and remind the customer at least three times within 30 days. The customer should negotiate with the OrzGK assistant about the transportation method and time;if the customer refuses to reply to any message within 30 days and does not clearly inform OrzGK whether the shipment needs to be delayed, we will regard it as losing contact. OrzGK will retain the right to dispose of this pre-order and will not be able to refund the deposit and balance payment that have been submitted to the studio!Special instructions for the statue Statues made of resin and polystone are inherently fragile works of art. Each statue will be custom packaged by the studio before shipment and reinforced by the OrzGK team after arriving at our warehouse to ensure safety as much as possible. However, uncontrollable factors during transportation may still cause minor damage, such as small breaks, fine fractures or surface scratches. Therefore, we recommend that you consider carefully before placing an order. If you cannot tolerate any potential minor flaws or shipping damage, please order with caution. Of course, if you find problems with the statue after you receive it, please contact our customer service team as soon as possible and provide photos and descriptions. We will contact the studio and will do everything possible to obtain replacement parts (of course, this depends on the studio).If we are able to assist you in obtaining replacement parts from the studio, we will contact you to confirm whether you would like us to proceed with the reshipment or choose an alternative solution.**Please note that after-sales parts for limited edition products are extremely limited. We will do our best to help you secure the parts and will cover the shipping cost from the studio to our warehouse. However, the collector will be generally responsible for the international shipping cost of the replacement parts**We are always committed to providing customers with high-quality collection services and making every effort to reduce transportation risks. Even if we cannot obtain replacement parts from the studio, we will strive to obtain insurance claims from the transportation company for you. Thank you for your understanding and trust Skip to content If you are buying a GK statue for the first time or starting to collect anime characters, please read the following guide to help you understand the resin statue and shopping process.GK is the abbreviation of Garage Kits/ usually means the original figures made by the designer. The main material is the resin which material can perfectly present the details. So statues made with this material have become the players preference. What do pre-order, pre-order closed, and in stock mean?Pre-order: is for the latest statues that have been released but not yet in production. Due to the limited quantity of most GK statues, the studio will only produce pre-order quantities. So, if you see a GK statue you like, ordering it during the pre-order period will ensure that you will have this product at a lower price. Pre-order closed: refers to the end of the pre-order and will enter the production stage. Usually, you can no longer pre-order but you can apply for an additional order from OrzGK; the price of the product will generally increase, and you have to pay a higher price if you want to order. In stock: It means that the product is in stock now, but due to the limited quantity, it may be out of stock at any time, you can ask before placing an orderBrowse your favorite products. Select "Deposit" or " Full Payment". After this, you will be given a tracking number and wait for the statue to come to your home.Shipping charges will be assessed according to the box size and weight of the product you order. When placing an order, the product has not arrived at our warehouse, so we cannot provide you with the accurate freight. But don't worry, I'll give you an initial estimate of the shipping cost but that's just an estimate of less or more; finally, we will choose the fastest and most favorable way for you to deliver.Unfortunately, breakage is a regular occurrence in this world due to the extensive shipping from China to your home. Therefore, we cannot guarantee that the resin will not suffer any damage as it is a very fragile material. This can happen rarely, but not impossible, so please take this into consideration before placing an order, especially for products that have been on the market for a long time.For OrzGK, the first option is always to contact the studio for a free replacement of damaged parts, including shipping and faulty parts. However, many times these alternatives are not available due to logistical issues or because production has been taking a long time. Therefore, if a replacement is not possible, we will provide you with a partial refund based on the damage suffered, or we will do our best to connect you to a professional repairer.The maximum warranty period upon receipt of resin is 1 week, in the event of breakage or missing parts please report the damage to the customer service team.Any question?
