For Patrick Schwarzenegger, The White Lotus has been a long time coming. The 31-year-old actor and, yes, son of Arnold Schwarzenegger has held supporting roles in Gen V (the spin-off of The Boys) and the true crime miniseries The Staircase, where he starred alongside Colin Firth and his White Lotus costar Parker Posey. But landing a coveted part on Mike Whites hugely popular HBO Max anthology was the USC alums holy grail. When he received the script, he immediately clocked his character, Saxon Ratliff, as the spiritual successor to the jerky roles previously played by Jake Lacy and Theo James in the shows first two seasons. I was a little nervous to take on another douche role and have to live up to their hype, he says. He was also wary of how viewers might respond to his protein shakechugging finance bro turned wannabe yogi. Even worse, Schwarzenegger had to suffer in silence, as he refused to spoil the series for even his fiance, model Abby Champion. I didnt want to ruin the experience for her as a viewer. Luckily, audiences ate up Saxon, and especially his special bond with his younger brother, Lochlan (played by Sam Nivola). By the end of the eight-episode season, the despicable Saxon had not only survived, but managed to attain a tiny shred of likability. And with his convincing performance, Schwarzenegger is now a strong Emmys contender.

Were you a fan of The White Lotus prior to getting the part?

During Covid, me, my fiance, and my mom lived together, and we became obsessed with season 1. So, when I got an email asking for a self-tape audition for The Secret Garden, written and directed by Mike White, I knew that it was really The White Lotus. I had to do five auditions. The final one was the scene where the two girls are telling me that I had a threesome with my brother, and Im just melting in my lounge chair. That was a fan one to do. To prepare, I was with my real brother, Christopher, and he was playing the two girl parts. He started reading them, and he said the line I didnt force your brother to jerk you off. Christopher said, What happens in this? I was like, Dude, just read it. And I had to swear him to secrecy. Mike White makes his casts take the Enneagram test. Do you remember your number? I took many testscompatibility tests, the narcissist test. I dont even know. I cant remember my Enneagram number, but Aimee Lou [Wood] had some full story about who I was in my past life, why I was born in September, and my Virgo sign and my rising moon and all these different things. I love her. Shes such a great human, great actress, and great friend. Audiences loved her, but they also ended up liking Saxon. Ive had some really weird experiences the past 10, 12 weeks with White Lotus coming out. Last week, I was at the gym with two of my friends, and a guy walked up to me and said, I love your work, and I had to come over to you because my boyfriend just booked playing Saxon Ratliff in The Tight Lotus. I said, What is that? And he said, Tight Lotusits a new porno coming out! And I said, Excuse me? And he goes, Yeahhes playing you. I was like, Oh my god! Schwarzenegger wears The Row shirt and pants. Were you a theatrical child? My parents have videos of me dressed up in the living room, pretending to be the weatherman or re-creating scenes. I did theater when I was a little kid. I asked my dad yesterday if he remembers going to my plays when I was in theater school. Im still in theater classes. I have been for the past 11 or 12 years since I graduated college. Did you visit your dads sets growing up? I grew up on a set. It was my favorite. My dad would yank me out of school early. My friends and I would sit in the back of his Hummer, and he would drive us over to Universal Studios. When it was his lunch break, he had a golf cart, and he would drive us around to Jaws, King Kong, and Jurassic Park. Wed always end up at the craft truck. It was the one time my dad let us eat unhealthy. It was heaven. Ive heard youre really healthy now. I eat a lot, but Im healthy. The thing they dont tell you when you book The White Lotus is that when you stay at the White Lotus, its not cheap. You would think you would get all the food for free when youre working there, but its still a hotel. When you order room service or go to the restaurant, youre paying for the five-star hotel. But breakfast is included, so I gamed the system. At 7 a.m., I would show up and Id have my breakfast and coffee, and then Id go to the gym around 9 or 10. And then, after my workout, at 10:59, Id show up for the end of breakfast, and Id just devour it. I was probably the least profitable customer for the Four Seasons. I dont think theyll ever have me back. You studied business at USC. Was that your dads advice? He was always like, Look, if you want to do acting, great, but let me tell you from firsthand experience: Ive been more successful and made more money in business than I have in film. Also, if you become a big movie star and you do two movies a year, youre working eight months of the year. What are you going to do for the other four months? He was always telling stories about actors he knew who didnt understand finances. So he kind of egged me on to go to business school. Im glad I did. Prada top and pants; Schwarzeneggers own jewelry. Do you get starstruck even though you grew up around so many famous people? There are maybe three people Ive gotten really starstruck by: Guy Fieri, Brad Pitt, and Leo[nardo DiCaprio]. I asked for a photo with Guy Fieri, but not with Brad Pitt or Leo. And then I get starstruck when Im working with someone I respect and look up to, like Colin Firth. You were both great in The Staircase. Do you think Michael Peterson killed his wife? Yeah, come on. I mean, you have two [women] who end up dead at the bottom of the stairs. Its crazy. Did you have any cinematic crushes when you were a kid? I loved Cameron Diaz growing up, in Charlies Angels and The Mask. And Jessica Alba. Paul Walker was also up there. He was just Mr. Cool. Whats your pet peeve? My fiance sometimes cracks her neck when Im about to fall asleep. I hear it, and it wakes me up. I also think its a little odd when people wear sandals to the airport, and then they take their shoes off on the plane and theyre barefoot. Also, tuna fish on a plane is a no. Do you have any secret skills? Im a coffee connoisseur. I was the person on The White Lotus set who sent people to different coffee shops. My house looks like Im in a laboratory, like Im Walter White. I have these different beakers and systems for cold brew. I like strong black coffee, like, gasoline strong. I dont like watery coffee. It has to jolt me. Do you sing karaoke? Whats your go-to song? Karaoke is fun for two different types of people, those who are professional, great singers, and those who are awful. Im awful, and I know Im awful. The White Lotus set had a lot of karaoke nights. Tayme [Thapthimthong], who plays Gaitok, the security guard, comes out and starts singing these beautiful songs. Then he reveals to everyone that he was on Thailands version of American Idol. Natasha [Rothwell] is also an amazing singer. And then, obviously, Lisa [Manobal], Jason Isaacs and I sang We Are Family, and Parker Posey and I sang George Michaels Freedom! [90] and Faith. Are you more like a cat or a dog? Im a dog. I love snacks, lounging around, and going out on walks. I like being with other people. I feel like cats are off on their own. Patrick Schwarzenegger is discovering his role in The White Lotus has become the punchline to gay porn parody: The Tight Lotus. During a chat with W Magazine, Arnies son recalled a surreal encounter at the gym. A guy cosies up to him and says, My boyfriend just booked playing Saxon Ratliff in The Tight Lotus. Patricks response? Naturally, he asked: What is that? Its a new porno coming out! to which Patrick could only muster, Excuse me? RELATED: Patrick Schwarzeneggers penis takes over White Lotus season 3 premier Also is it really a parody is the plot is exactly the same? Talk about prestige TV spilling into porn lore As if Live with Kelly & Mark hosts weighed in that its surely a sure sign hes made it when even porn parodies want in. I mean, I dont think we needed Falcon to tell us hes well on his way to stardom. Of course, Patrick is leaning into the NSFW chaos, because all publicity is good publicity! HOT: A collection of celebs papped naked (Image credit: HBO) Though HBOs The White Lotus wrapped its most recent season back in the middle of February 2025, the well of rumors, feuds, and anecdotes clearly has not run dry just yet. As the 2025 TV schedule continues, cast members like Season 3s Patrick Schwarzenegger have helped keep the Mike White-created dramedy in the public eye. Though as youll see in this story, another source of entertainment may give the show a run for its money in that department, as Schwarzenegger himself learned at an unexpected time. During an interview for W Magazine, the Terminal List co-star described how his brush with prestige TV stardom has been treating him. When the conversation turned to how audiences seem to have taken a liking to his character Saxon from The White Lotus, Schwarzenegger offered this oddly hilarious form of tribute that a fan offered in the wild: Ive had some really weird experiences the past 10, 12 weeks with White Lotus coming out. Last week, I was at the gym with two of my friends, and a guy walked up to me and said, I love your work, and I had to come over to you because my boyfriend just booked playing Saxon Ratliff in The Tight Lotus. I said, What is that? And he said, Tight Lotusits a new porno coming out! And I said, Excuse me? And he goes, Yeahhes playing you. I was like, Oh my god! Im sure even the most desensitized HBO Max subscription holders are stunned at this moment. You kind of have to wonder how the porn parody is going to even begin to address its source material, which we saw with The White Lotus Season 3 incest story. The porn parodys full name is The Tight Lotus: A Gay XXX Parody. You may like Oh, that story about Arnold Schwarzenegger discovering Patricks White Lotus nude scenes could get even funnier if his father learns about this new development. But putting the potential comedic and salacious details aside, this has to be simultaneously the oddest but most fitting porn parody to have ever spoofed. And I say that despite knowing we live in a world where theres still a very adult takeoff of the typically wholesome Bobs Burgers in existence. No matter where Patrick Schwarzeneggers star may rise to next in his post-White Lotus career, the actor has clearly made it. Much like heartthrobs of the past like James Van Der Beek, this young actor now has another pop culture achievement to claim in his metaphorical trophy case. Meanwhile, you can stream all three seasons of The White Lotus through the power of an HBO Max subscription. Though you might watch what you drink a little more carefully as a result.
