

I'm not a bot

George is a classic and timeless name with a rich history and multiple meanings. In English baby names, the meaning of George is Farmer, symbolizing hard work and dedication to the land. This origin is rooted in Old Greek, where the element 'georgos' was used, which means tiller of the soil or farmer. The name gained popularity after the accession of King George I in 1714, with five other English monarchs bearing the name, further cementing its status as a royal name. The feminine version of George is Georgia. ###ARTICLEGeorge is a name with Greek origin meaning "farmer", having been among the top 10 names for over a century. The name has seen its fair share of iconic Georges, from King George of Britain to Washington, the Father of Our Country. Celebrities have also chosen George as their son's name, including actors Kristin Scott Thomas and Jane Kaczmarek, musician Zac Hanson, and even comedian Fred Armisen. George is a male given name of Ancient Greek origin, derived from γεωργός (geōrgós), meaning "farmer" or "earth worker." The name has been popularized by various historical figures and cultural references, including Saint George, a legendary figure revered for his bravery in fighting dragons. The name has been used in various forms across different cultures, such as Georg in German, Jorge in Spanish, and Geevarghese in Armenian. In modern times, the name has gained significant attention due to its connection to several notable individuals, including George Soros, a philanthropist and activist, and George Floyd, an American civil rights activist. The term "George" is also used as a shortened form of names such as Georgina or Georgia, and is often combined with other names to create conjoined names. The name has been featured in various forms of media, including literature, film, and television, cementing its place in popular culture. George is an English name for male infants, derived from the ancient Greek name Geōrgios (Γεώργιος). It is named after Saint George, a Christian martyr and legendary dragon-slayer. In some countries, it has multiple meanings and uses, including as a city in South Africa and a slang term for a Pullman porter. ###ARTICLE
